The Solar System does not play
well-tempered

for solo bass clarinet in Bb

2021

The slightly whimsical title *The Solar System does not play well-tempered* comes directly from a talk given by Dr Nicole Pawellek at the Institute of Astronomy, University of Cambridge, in which she looked at historical theories of ‘music of the spheres’ (the title of her talk) through the lens of modern cosmology and astrophysics. There was one particular slide that leapt out at me showing how, bizarrely, densities in the asteroid belt appear to exactly match the ratios of partials in the harmonic series! This became the starting point for my piece: on one side portraying the dramatic contrasts between the cold depths of space and violent encounters with asteroids, and on the other side, using the harmonics shared between a musical instrument in one’s hand and the asteroid belt as a source of harmonic and structural inspiration!

Written for the Royal Academy of Music’s 200 PIECES project celebrating the institution’s bicentenary, *The Solar System does not play well-tempered* was premiered by clarinettist Leo Kerr on 30th November 2021 in the Angela Burgess Recital Hall.

Performance notes

Voice: The voice should always be blended with the bass clarinet. It is notated to sound, like the bass clarinet, a major 9th below the written pitch. However, it may also be sung up one octave if this register is not possible.

Techniques:

 = extreme vibrato

c. = ‘colour trill’ employing alternate fingerings with slightly different tunings for the same note.

k. = ‘key trill’ employing a trill action on keys with no intended pitch.

R. = ‘register key trill’ – a subtle trilling of the register key to drop the pitch by a compound perfect 5th.

 = ‘Growl’ – apply an unpitched vocal colour to the bass clarinet timbre.

 X – headed notes indicate a combination of keys and air through the reed. Only the faintest hint of pitch should be present.

 Diamond-headed notes indicate a ‘breathy’ tone containing ½ air, ½ pitch. While the timbre should be diffuse, the pitch should be clear.

Duration: 9.5 minutes

Bass Clarinet in B \flat

Musical score for bar 10. The vocal line starts with a dynamic ***ppp***, followed by a ***poco*** dynamic. The vocal part includes several slurs and grace notes. The lyrics are: ***fade to breath k.*** (with a wavy line above), ***quiet growl***, ***k.*** (with a wavy line above), and ***breath to tone***. The vocal line ends with a dynamic ***p***.

A musical staff for the voice part. It starts with a treble clef and a key signature of one sharp. The first two notes are eighth notes with stems pointing down, separated by a short vertical bar line. Above the staff, the dynamic marking ***pp*** is written in bold black letters between two small circles. A horizontal line extends from the right side of the ***pp*** marking across the staff. The third note is a half note with a stem pointing up, followed by a fermata (a small horizontal line with a dot at each end) above it.

Musical score for the first movement of Beethoven's Violin Concerto in D major, Op. 61, No. 1. The page shows measures 11-12, featuring a melodic line for the violin and dynamic markings like *p*, *pp*, *mf*, *f*, and sforzando.

p pp p pp p pp p, pp

p pp sub.

A musical score page for 'The Star-Spangled Banner'. The top staff shows a vocal line with a dynamic marking 'p' and lyrics 'k.' followed by a wavy line. The bottom staff shows a piano accompaniment with sustained notes and chords. Measure 12 begins with a dynamic 'ppp' followed by 'p' and 'pp' markings. The vocal line continues with '1/2 air' and a dynamic 'mp'. The piano accompaniment consists of sustained notes and chords.

Musical score for piano. The left hand plays a rhythmic pattern of eighth and sixteenth notes. The right hand plays a series of eighth-note chords. The score includes dynamics: **pp**, **f**, **fuoco**, **5**, **5**, **5**, **ff**, **B**, **s**, **3**, **wavy line**, **3**, **,**. A bracket labeled "growl" points to the first measure. The letter **B** is enclosed in a box above the ff dynamic.
