Ellen Drewe

Chronokinesis

For Clarinet and Electronics

Full Score

dur. 8’50”

Electronics Setup

Quadraphonic speaker setup around the audience. Trigger files as numbered in the score using the Ableton file. Electronics are triggered by a midi device. Original performance uses Novation Launchpad Mini (MK3) managed by another performer, however a midi foot pedal can also be used by a solo performer. Make sure the ‘Key Click’ channel is set at 0dB at the beginning of the performance. Make sure output is set to ‘Master’ for a performance or ‘Record Track’ for a direct recording.

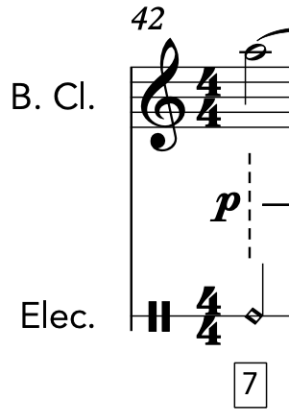
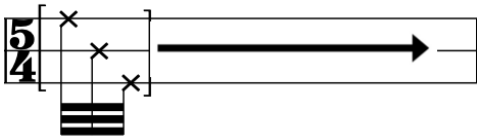
Performance Notes



- lower stave indicates when to press the foot pedal
- number indicates the number of the electronic trigger
- the dotted line indicates when the pedal lines up with the start of a pitch



- percussion stave indicates high/medium/low key click as represented below
- the bracket and arrow indicates that you should repeat the pattern as quickly as possible until the end of the bar

HIGH KEY CLICK

MEDIUM KEY CLICK

LOW KEY CLICK
