

## Royal Academy of Music

### Students going on interruption of study (combined undergraduate and postgraduate)

Updated: 16 January 2024.

---

Academic Year	Number of students on interruption of study
2023/24	6 (to date)
2022/23	13
2021/22	21
2020/21	24
2019/20	24
2018/19	15
2017/18	15
2016/17	13
2015/16	17
2014/15	17

#### Notes

1. The Academy' student database does not differentiate the reasons for interruptions of study; with interruptions simply recorded as a year out or a partial year out.
  2. The reason for these interruptions to study may range from financial or professional to health or other personal reasons etc.
  3. This dataset counts student interruption in the year it is first taken; which is consistent with our internal annual programme monitoring and HESA count interruptions.
