

FOIA dataset: student population by programme and gender

Date of disclosure: 7 January 2025

Note: We have employed the HESA's rounding methodology: <https://www.hesa.ac.uk/about/regulation/data-protection/rounding-and-suppression-anonymise-statistics>
The total column was calculated before rounding was applied. When individual data items are subsequently rounded they will not always sum to the rounded total. This is in line with HESA's rounding methodology.
